

Visitor Management Reimagined

Mobile pre-registration · QR check-in · Photo verification · Real-time reporting

Built for apartments, SME offices, co-working spaces and schools across Southeast Asia —
from ~~Rp 50K/month~~ 2-36x cheaper than global competitors

Email

Visitor numbers & confirmations delivered straight to the inbox — zero training

< 1 min

From visitor arrival to verified check-in — no app install required

3–36×

Cheaper than Envoy, Sine & SwipedOn per location per month

UU PDP

Compliant digital visitor log — paper logbooks now a legal liability

Pre-register

Visitors fill details + capture ID & selfie from any phone, before arrival.

QR check-in

Show the QR at the gate; guard looks up and verifies in seconds.

Photo verify

ID card and selfie compared at entry — real identity proof.

Auto reports

Every visit logged; CSV / PDF export. Full audit trail.

Email confirmations

Visitor numbers & confirmations via email — zero training for guards.

ACT Pro

Door rights auto-granted on check-in, revoked on sign-out.

Pricing

Free
Rp 0

1 location · 50 visitors/mo

Starter
Rp 50K/mo

1 location · 500 visitors

Pro
Rp 150K/mo

1 location · unlimited

Multi-Site
Rp 100K/site/mo

3+ locations

vs Envoy USD 362 · Sine USD 69–199 · SwipedOn USD 29–99 per location/month
